

LLANBEDROG CHURCH HALL WINDOW APPEAL

My dear friends and neighbours

I do hope you won't mind me sending you this letter of Appeal.

The time has come for us in St. Pedrog's Church to replace 29 of our windows in the Church Hall. 25 years ago, when I first arrived at St. Pedrog's Church, the Church Hall was in a bad state of disrepair and, together, as a church family, we decided to invest in its repair as opposed to selling it. That was a good decision as it is by now a place of meeting for many groups. As a church we have been using it for the children's Messy Church, a Sunday School as well as various other church activities such as parties, fetes, study groups and all kinds of meetings. It is also used by community groups, such as, Art Groups, various exhibition groups, a Knitting and Sewing Group, Yoga, Pilates, birthday parties and even wedding receptions. And many of these meet on a weekly basis. 25 years on and we now face a challenge again.

My Appeal is an invitation to you, as neighbours and friends, to consider whether you would like to help us to assure a future for our beloved Church Hall.

There are three ways in which you could help:

First, by purchasing a window, possibly in memory of loved ones. Each of the large central windows will cost £1000.

Secondly, by purchasing a window, as a group of people, collectively.

Thirdly, by donating towards the overall costs of replacing the 29 windows and decorating the outside of the Hall.
